

should be listed in the decreasing order of the rejection ratio. Total requests received in the Ministry may be shown at the bottom of the table. Similarly, total number of rejections may be indicated at the bottom of the table showing the total rejection ratio as well. The Commission is in process of preparation of following information which would be supplied in due course.

1. The number of appeals, the nature of appeals and outcome of the appeals filed before the Commission.
2. The number of complaints and their disposal filed before the Commission.
3. Commission's observations and recommendations for bringing out reforms to meet the challenges of implementation of the Act.

These details would be submitted to CCS for completing the exercise of preparation of annual report.

3. A first draft of the report was received from Ms. Renu Vinod. Minutes of review meeting containing comments of the Commission are enclosed for further Commission for placing it before the Commission.

Yours faithfully,

(P. K. Gera)
